Writing Testimonials . . .

We're running your "Refined Carbohydrates are Addictive" piece. Honestly, Eve, people have been explaining this forever, but I've never seen it more clearly explained – and concisely!
Jeani Read, The Province Newspaper (2002)

It is so great not to have to do excessive editing. All I did was work with Jim (in production) on images. Thank you for your great work.
Janis Foster, Editor, Sounder Profiles Magazine

Thanks for the story and I wanted to mention I really appreciate that you include your sources at the end – few freelancers ever think to do that!
Carolyn Cooke, Editor, Now Newspaper

We were totally pleased with your articles. I am looking forward to our second edition in the spring. We want you to be involved.
John Avdic, Now Newspaper Wellness Guide, Surrey, B.C.

Thanks so much for always being available when I need something on the fly. You're the best!
Ann Collette, Editor, Waters Magazine and Wellness Matters.

As always, I appreciate your promptness, your professionalism and your very interesting articles.
